To take cold. It's so common to neglect the cold. That is one reason why there are so many people with "deep-seated," stubborn coughs, and so many more with "lung trouble."

The short, quick way to cure a cough is to use Dr. Pierce's Golden Medical Discovery. The quicker this remedy is used the quicker the cure. But even when neglect has let disease fasten on the lnngs, "Golden Medical Discovery" may be relied on to cure in minety-eight cases out of every hundred.

Dyspepsia Cure Indigestion effects so many organs besides the stomach that the nature of the disease is sometimes mistaken. Headaches, giddiness, and so-called heart trouble are usually caused by indigestion alone. In such cases it is the stomach trouble which must be cured. Kodel Dyspepsia Cure "estores health by digesting your food while the stomach rests. Dieting doesn't mean rest but starvation. You should relieve the stomach without weakening the system by denying yourself proper food. With a sound stomach your other complaints will soon disappear. "After seven years' suffering from indigestion" writes Mrs. Annie Alcorn of Merideth, Pa. "I was cured by three bottles of Kodel Dyspepsia Cure."
